## **SF-182 School Board Training in Curriculum and Assessment Alignment**

### **Course 1805**

**Synopsis:** This 1-day workshop provides school board members with practical knowledge about the aligned maps of curriculum and assessments for the schools they serve. Participants will be shown how the maps address state content standards.

**Target Audience:** School board members, administrators, and community leaders.

#### **Goals:**

- Develop understanding of how curriculum standards are designed to ensure broad and deep student mastery of content.
- Analyze the schoolwide and classroom curriculum and assessment plan.
- Examine progress-monitoring student learning as well as preparation for end-of-year, high-stakes testing.

#### **Outcomes:**

- Understand how critical scaffolded instructional planning is to student learning.
- Have a clear picture of an efficient schoolwide and classroom assessment plan.
- Confidence that the school content curriculum maps and assessment plan follows the state required standards.

**Cost:** The lump sum cost for this training is \$4600. and includes consulting fee, materials, and travel costs.
