## **SF-182 Staff Curriculum Retreat: Using Curriculum Maps and Assessments to Improve Daily Instruction**

### **Course 1806**

**Synopsis:** This 3-day workshop provides participants with practical tools and strategies plan daily, weekly, and monthly lessons aligned with grade-level curriculum and assessment maps. Participants will create lessons, model, and receive feedback about their lessons.

**Target Audience:** School staffs, including teachers, paraprofessionals, coaches, and administrators.

#### **Goals:**

- Deepen understanding of how to design standards-based lessons that ensure broad and deep student mastery of content.
- Create confidence and comfort in ability to develop high-quality lessons aligned with the schoolwide and classroom assessment plan.
- Help teachers address progress-monitoring student learning as well as preparation for end-of-year, high-stakes testing.

#### **Outcomes:**

- Understand how critical instructional planning is to student learning.
- Create consistent understanding and shared expectations for instructional lesson planning.
- Increase teacher ability to understand and to plan for grade-level student learning.

**Cost:** The lump sum cost for this training is \$8500. and includes consulting fee, materials, and travel costs.
